"LITTLE MAC" OFF THE TRACK!

VICTORY, VICTORY!

"We'll Rally Round the Flag, Boys, Rally once again,
Shouting the Battle Cry of Freedom!"

VICTORY IN PENNSYLVANIA!
VICTORY IN INDIANA!
VICTORY IN OHIO!
VICTORY IN MARYLAND, AND
VICTORY ALONG THE LINE!

The election on Tuesday last resulted in a glorious Union Victory. Desperate efforts were made by the enemy to carry Pennsylvania, but they were handsomely beaten by from two to three thousand majority on the home vote, which will be increased twenty thousand by the returns from the army.

Out of the twenty-four Congressmen elected, sixteen are Union, being a gain of four.

The State Legislature is Union by a large majority in both branches. The Copperheads elected only three from Philadelphia. The glorious City of Philadelphia gave 7700 Union majority.

In Lancaster, Chester, Bradford, Tioga, and in fact all the strong Union Counties, our majorities were reduced, by reason of over confidence! They will do much better in November!

In Berks, Luzerne, Montgomery, Schuylkill, and several other democratic counties, where the efforts was made, we gained on last year's vote, and thus the popular majority of the State was secured for the Union.

THUNDER FROM OHIO!!!
AND LIGHTNING FROM INDIANA!

THE COPPERHEADS COMPLETELY "WIPED OUT."

Ohio did a glorious work. Over two-thirds of the Congressional delegation is Union, and among the defeated is the notorious Cox. The popular majority in Ohio is from 50,000 to 70,000! That's enough.

The most glorious victory, because unexpected, was won in Indiana. We gained four members of Congress, carried the State Legislature, and a popular majority of about 20,000!

BUT JUST LOOK, HERE!

LIBERTY! VICTORY!

The Union Mayor was elected in the city of Baltimore by eight thousand majority!

The new Constitution, forever abolishing Slavery, was ratified by an overwhelming vote of the people of Maryland!

GOD BLESS MARYLAND!

Hurrah For The Soldiers.

The copperheads who voted to deprive the Union soldiers of the right to vote, are already rewarded. The soldiers have now the right of suffrage, by virtue of an amendment to the State Constitution which was ratified by the Union people on the 3rd of August last, in spite of the copperheads. The brave soldiers voted, last Tuesday, at the front, in the camp and in the hospital, and they recorded their votes, at the rate of about six to one, for the Union. They will repeat their verdict in November—only a little stronger.
